

Teacher Exchange Form

Welcome to the Vidya Devi Jindal School. The School is a home away from home for teachers and students alike. We look forward to providing rich professional and cultural experiences to keen educators from across the world as they spend a month with us on campus. In view of the close association that the exchange entails it is important for the host school as well as the visiting teacher to understand if they are a perfect fit for each other.

Please take a moment now to record the information which will help us understand you better. It will also ensure that we are better equipped to make the exchange a pleasurable experience for you. The information is meant exclusively for school record and will not be shared on any other platform.
