Parents of Classes X & XII

EARLY SUMMER BREAK FOR SESSION 2020-21

Dear Parent,

Due to the Coronavirus pandemic and the advisory received from the Government of Haryana, we would be closing the school for the new Classes X & XII for the early summer break.

The parents are requested to take their children home as per their convenience as their Classes are being dispensed with due to official advisory.

We wish to assure the parents that the School is taking the necessary precautionary measures to deal with the situation and we request the parents to take all precautions while they travel with their daughter home. We suggest the parents take the following measures while they visit the school to pick their daughter for the summer break: -

- (a) Avoid use of public transport and prefer traveling via road in your personal transport.
- (b) Carry face masks and use sanitizer.
- (c) Avoid exposure of students to public places. Do not visit, mall, cinema halls, etc.

We wish for our students a safe travel and a healthy summer break with their family and we solicit your cooperation and support to fight against this pandemic. The Activity Calendar for the session 2020-21 is being revised and will be shared with the parents shortly.

Shalini Mehrotra
Principal
