

Amazing girls! Amazing teachers! Amazing peacefulness!  
Overall, amazing VDJS!

Thanks to the kind offer of Ms. Aradhna, we got a chance to visit and stay at VDJS from Aug. 3 to Aug. 8, 2016.

When we arrived here, they told us that we were already the members of VDJS family, and we sincerely felt so.

Especially, it must have been an unforgettable memory for our students that they stayed with VDJS girls at the dorm. They experienced daily school life at VDJS, with big love and kindness of VDJS girls!

Also, teachers are really devoted to educating their girls and are full of love for everybody.

I believe that VDJS girls learn a lot from them, not only acquire the knowledge but also learn how to live well.

We'd like to send our sincere gratitude to Ms. Shalini, the Principal, and Mr. Sanjay, the Executive of Administration, giving us such a precious opportunity to visit to VDJS and making our stay so wonderful at VDJS.

We all miss all the girls and teachers at VDJS.

Wish everybody all the best, and hope to see you again!
