PRE-BOARD EXAMINATION FOR CLASSES X & XII

Dear Parent,

Greetings from VDJS!

You are aware that the School has resumed its normal academic activities for Classes IX to XII with effect from 20 November 2020. We extend our appreciation for the parents who have sent their daughters to the school for their holistic learning.

I write to inform you that, as per the guidelines issued by the CBSE, it is mandatory for the students of Classes X and XII to appear and qualify in the Pre-Board Examination to be eligible to appear for the Board Examination scheduled for May 2021.

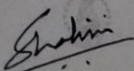

We conducted the first Pre-Board Examination from 28 December 2020 to 11 January 2021. The students present in the school appeared for the exam offline, and those at home appeared for the online examination. We wish to share with you that, a marked difference in the performance of the students who appeared offline than those who appeared online has been observed, indicating that it is difficult to evaluate the true learning outcomes and readiness for the forthcoming Board Examination for the students who appeared in the examination through online.

In the interest of the students and to prepare them better for their Board Examination, the School has scheduled to conduct the **second Pre-Board Examination from Monday, 15 February to Friday, 26 February 2021. We strongly recommend that all the students should appear for the second Pre-Board Examination offline from the school.**

In case your daughter did not appear for the first Pre-Board Examination or she did not qualify in the examination, it is mandatory for her to appear and qualify in the second Pre-Board Examination to be conducted by the School.

Please note, the Admit Card for Board Examination will be issued only to those candidates who will qualify in the Pre-Board Examination. You are requested to advise your daughter to take up academics seriously and attend the classes regularly to fare well in the second Pre-Board Examination scheduled from **Monday, 15 February 2021.**

With best wishes
