

DATE – 2 APRIL 2021

TOPIC – BOUQUET OF APPRECIATION

RESOURCE PERSON – MS BHAGWANTI GUPTA (Dean Academics)

The session started with appreciation by the Principal on the creativity exhibited by the teachers in making Charts on Role of a Mentor. Each group had its own creative way to showcase the relevant message. The team members were appreciated by giving chocolates. The day's activity began with the Art teacher, Ms Suman Poonia teaching the team how to make a bouquet in an easy way. Thereafter all decorated their bouquet in their own style and wrote their name on it.

The teachers were then asked to write a note of appreciation of each member on a colourful cut out and fill it in the bouquet of the said person. This way each one wrote for all and the bouquet was full of appreciation. It was an enriching and motivating activity as it brought in immense positivity among all. This activity rejuvenated all members for a fresh and active start for the new session 2021- 2022.
