Coronavirus disease (COVID-19)

Millions of people around the world have been affected by the COVID-19 virus outbreak. The safeguarding of all those connected to the Award – be they participants, volunteers or staff – is paramount and we know that you will be looking to your local public health bodies to ensure risks are managed appropriately in your Award Unit.

We recognize that the virus can make it difficult for some Award participants to maintain Award activities, but it doesn't have to. [Click here](#) for some creative ways for participants to continue their Award activities at home, whilst providing enough evidence to their Assessors and Award Leaders that they can continue progress to their goals.

It is paramount that anyone considering undertaking Award activities outside of the home in areas affected by the COVID-19 virus outbreak must consult their local public health authorities before doing so.
