

**VIDYA DEVI JINDAL SCHOOL, HISAR.**

**SESSION ON SPELLING & PRONUNCIATION INTERFACE**

**DATE – 17 DECEMBER 2021**

An interactive session was conducted by Dr Vashisht (retired professor of English language) on 17 December 2021 from 2 pm to 4 pm in the Learning Resource Centre of Vidya Devi Jindal School, Hisar. More than sixty teachers attended the session and gained benefit from it. The resource person initiated the talk with a warm up session talking about the correct pronunciation of common words like pizza , garage etc and further explained the reasons of different pronunciation. He discussed in length the origination of words and the factors that influence the pronunciation and spellings. Teachers were actively involved in the discussion as they wanted to learn more about the nuances of English language. He also emphasized the role of teachers in terms of language acquisition and practice. Every subject teacher is responsible and accountable to impart correct language with correct pronunciation to the students.

The session was full of humour which made it interesting. It finally concluded with a message that all teachers should read more and be updated to cater to the needs of today's learners.
