

VIDYA DEVI JINDAL SCHOOL, HISAR
WEBINAR ON AWARENESS ABOUT NDA BY GPREP INSTITUTE

An online webinar was planned for NCC cadets of classes 9-12 was conducted on December 1, 2021 but due to some technical issues the resource person has shared the recording of the session. It was conducted by GPREP institute from Rohini New Delhi. The resource person explained the scheme of exam in detail with bifurcation of marks and Topics etc. He then shared the preparation strategies to crack NDA. He discussed the age criteria, process of application and blueprint and syllabus of exam. He has shared that their institute conducts online classes every-day from 9-10:30pm to prepare the students for written exam. They have already started the batches from November 24. He also explained that how a non-MATH student can also clear the exam with limited preparation with the help of short cut techniques. Towards the exam after completing the syllabus they provide revision videos and some training sessions for SSB. It was a nice enriching experience for all the students who attended this webinar.
