PROFILE OF THE SPEAKER
(Vandita Banka)

Native of Lucknow, I'm currently pursuing BA hons in liberal arts (economics major) from NMIMS, Mumbai Campus. Alongside this, I'm also focusing on building my dance career by taking and giving different dance classes of different forms. I give private classes as well as group workshops of forms like contemporary, classical, freestyle, tutting, Bollywood, jazz, heels and belly.

Recently, I started learning Aerial Silks (both hoop and silks).

Apart from this, my future plans are to pursue MBA or Masters in Economics/Sales/Marketing from either abroad or India. With this, I'm planning to continue teach and learn more in the field of dance.

Also, I worked for one marketing company of Siliguri where I explained their marketing strategies through social media videos.

Memory Junction -11 was organized on 30 April, from 3-4 pm in Auditorium where our 2021 Alumni- Vandita Banka was invited. She came from NMIMS Mumbai to share her experience with our grade XI & XII and also conducted Dance Workshop later with them.

Vandita focused on profile building and social skills as she has dynamic personality and varied interests in many areas like Dance, Music & Design. She explained process of getting in UG courses in NMIMS and living expenses. She also explained about BA Liberal Arts where she explained her major & minors and also discussed BBA - Branding & Advertising which is becoming popular now a days. She gave tips of time management and gave her example how she manages academics and extracurricular activities.

Students asked various questions about college life, vj experience, personality grooming and her extraordinary talent in dance and future plans. Anoushka gave vote of thanks at the end.

Students came to know how they can get admission in NMIMS, Mumbai as it is dream college for many of our students.
