ACADEMIC YEAR 2025-26  
EVENT (Competition) REPORT

VDJS Participates in International "Show & Tell" under the Round Square Umbrella On Tuesday, 22nd April 2025, VDJS proudly took part in the *Worldwide Show & Tell* event organized virtually under the esteemed Round Square umbrella at 7:30 PM IST. This distinctive international session brought together young storytellers from Argentina, India, and Switzerland, all united under the engaging theme — "*Our Favourite Book / Nursery Rhyme / Folk Tale.*"

Each participant was allotted two minutes to present their chosen story, focusing on its title, setting, characters, message, and emotional resonance. Representing VDJS with commendable poise and enthusiasm were Anika Yadav, Dhvani Murarka, Noor Sekhon, Hiteshi, Atulika, and Javisha. Their captivating presentations reflected not only their love for storytelling but also their eloquence and cultural sensitivity, leaving a lasting impression on all attendees.

Ms. Aarti Pathak seamlessly prepared the students for the same. The session concluded with a thought-provoking Q&A round that fostered cultural exchange and highlighted the unifying power of stories across borders.

This enriching experience once again underscored the spirit of Round Square – nurturing global citizenship and deepening international camaraderie through shared experiences and storytelling traditions.
