

SWIMMING ACHIEVEMENT REPORT FOR THE SESSION 2025-26

Swimming at Vidya Devi Jindal School is much more than a sport—it is a tradition that reflects the school's commitment to nurturing capable, confident, and well-rounded individuals. The coach **Ms. Shrabani Kayal** along with the Life Guard **Mr. Jai Bhagwan** ensures that every Jindalite learns to swim, the institution equips its students with a skill that can prove invaluable throughout life. At the same time, through competitions, prestigious events like the Principal's Cup, and inter-school meets, the school cultivates a culture of excellence, sportsmanship, and enthusiastic participation.

In the shimmering blue waters of the Olympic sized swimming pool, students discover not only the rhythm of strokes and the thrill of competition but also the deeper lessons of courage, perseverance, and self-belief. As each new batch of Jindalites steps into the pool, they become part of a vibrant legacy—one that celebrates swimming as both a life skill and a cherished sporting tradition.
